We are publishing the Weekly Bulletin on our school website each Thursday. Please check the website for all school information. Hopefully, all of our families will check this website each week. Families are encouraged to sign up for a weekly e-bulletin, rather than a paper copy. We can save a few trees!

September 4, 2008

Dear St. Robert Bellarmine School Families,

We have the pleasure of a new class of preschoolers at St. Robert's. The children are full of God's grace and are a welcome addition to our wonderful school. Their parents are excited, too!

The annual Meet the Teacher Night is going to be held on Monday, September 15. We will gather in Kernaghan Hall, in the basement of the Church. After a brief meeting, we will progress to St. Robert Bellarmine School so parents can visit the classrooms. It's an enjoyable event and I will look forward to seeing you.

As a reminder, the school lunch forms must be in the office by the Tuesday before the week that the student wishes to receive the hot lunch. As you can imagine, the process of ordering the lunches can be complicated and we have to have a deadline.

God Bless,

Mrs. C. Míjal

MANNA PROGRAM

This memo is for parents looking to find a way to save money on tuition. The MANNA program is for you. MANNA is a program for purchasing everyday gift cards for all your shopping needs. They range from grocery stores to specialty stores. From gas to oil changes, from hotels to restaurants. From hardware to computer stores and the list goes on. For every one of these merchants we are given back a percentage toward tuition. Just for buying your groceries you can save on your tuition. Every time you gas up your car you save tuition. For the oil change to Billy's birthday you save tuition. Can you really afford to say no to this program? Some people feel this is a luxury but really it's not. This program is for everyone from parents to college students to grandparents purchasing from the pharmacy at local stores. Maybe even a neighbor or a co worker. MANNA is a program that can help you bring down your monthly bill for tuition. On the average a parent paying tuition in our school has been earning as much as \$300.00 or more dollars a year as a credit towards their tuition. This could be the payment for the raffle or the book fees or any other purchase you need to make. All I ask you to do is to track how often you go to the store to purchase these goods and services and add them up. Manna could save you a lot of money if you just do a little work. Free money to put toward your tuition. Who doesn't like that? Call me and I will explain the program to you. Dori Radcliffe 773-777-0798

I hope you take a minute to think of what this program can do for you.

Thanks for your time.DR
